

# Armed Insured Deposits (A.I.D.)

**First Guards' Armed Insured Deposits (A.I.D.)** is a simple and convenient way to improve your security and overall peace of mind when moving cash to your bank of choice.

With our competitive pricing **Armed Insured Deposits (A.I.D.)** is both cost effective and convenient.

## Features

1. Your money remains *sealed* from your location to the bank.
2. Two or more Armed Guards will secure your package at all times
3. The vehicles used are semi-armored to reduce risk of loss
4. You will have radio and/or cellular contact with the Guards during transit.
5. Your money is *insured* against loss and theft

## Benefits

**First Guards' A.I.D.** is a safer, cheaper and more convenient method of depositing your cash. Consider the following:

1. You do not have an armored vehicle ... we have many.
2. While moving your cash you may be alone or with someone who is neither trained nor equipped to protect you. Our highly trained, Armed Guards move in *groups of two or more*.
3. You may not have *insurance* against loss while transporting your cash. We are insured against loss and theft.
4. If you keep large cash sums you may have to train and monitor the employees who handle your cash.
5. You do not want to make your business, yourself and your employees a target by keeping large cash sums on your person or premises.

## Cost

For \$99 per pickup you get all the features and benefits of a highly professional security firm with over 15 years experience handling your daily bank deposits.

Ask yourself this question ... with all the features and benefits outlined above, is your personal safety and that of your staff not worth more than \$99?

Wouldn't you rather avoid the risk, avoid the traffic and avoid the lengthy bank lines?

Get what you need to keep yourself, your staff and your premises safe. Get **Armed Insured Deposits (A.I.D.)** by First Guards Security Group Limited.
